Day02: Goa

(Breakfast)

Goa is a state located in the western region of India, it is bounded by the state of Maharashtra to the north, and by Karnataka to the east and south, while the Arabian Sea forms its western coast. It is India's smallest state by area and the fourth smallest by population. Goa is one of India's richest states with a GDP per capita two and a half times that of the country as a whole. It was ranked the best placed state by the Eleventh Finance Commission for its infrastructure and ranked on top for the best quality of life in India by the National Commission on Population based on the 12 Indicators.

Panaji is the state's capital, while Vasco da Gama is the largest city. The historic city of Margao still exhibits the cultural influence of the Portuguese, who first landed in the early 16th century as merchants and conquered it soon thereafter. Goa is a former Portuguese province; the Portuguese overseas territory of Portuguese India existed for about 450 years until it was annexed by India in 1961.

Goa is visited by large numbers of international and domestic tourists each year for its beaches, places of worship and world heritage architecture. It also has rich flora and fauna, owing to its location on the Western Ghats range, which is classified as a biodiversity.

Day free to explore the city.

Overnight at the hotel.

Day 03: Goa

(Breakfast)

Visit Basilica of Bom Jesus. The Basilica of Bom Jesus or Borea Jezuchi Bajilika (Portuguese: *Basilica do Bom Jesus*) is located in Goa, India, and is a UNESCO World Heritage Site.^{[1][2]} The basilica holds the mortal remains of St. Francis Xavier. The church is located in Old Goa, which was the capital of Goa in the early days of Portuguese rule. 'Bom Jesus' is the name used for the Ecce Homo in the countries of Portuguese colonization. The Jesuit church is India's first minor basilica, and is considered to be one of the best examples of baroque architecture in India.

Later visit Mahadev Temple; Tambdi Surla is a 12th-century Shaivite temple of the Lord Mahadeva and an active place of Hindu worship. It is notable as the oldest temple in Goa, India. The temple was built by Hemadri, the minister of the Yadava King Ramachandra. The Jain style construction has led to debates about the origins of the temple, since the Kadamba Dynasty ruled Goa between the tenth and fourteenth centuries. The temple is built in the Hemadpanthi style from basalt, carried across the mountains from the Deccan plateau and carved craftsmen. It is considered to be the only specimen of Kadamba-Yadava architecture in basalt stone preserved and available in Goa. The temple survived invasions and the Goa Inquisition due to its remote location in a clearing deep in the forest at the foot of the Western Ghats which surround the site.
