# HALF DAY CITY TOUR (DELHI)

Our car will pick you up at Hotel & then proceed for Half day tour of Delhi. Visit **Humayun Tomb, Rashtrapati Bhavan and India Gate.**

Humayun's tomb is the tomb of the Mughal Emperor Humayun in Delhi, India. The tomb was commissioned by Humayun's first wife Bega Begum (Haji Begum) in 1569-70, and designed by

Mirak Mirza Ghiyas, a Persian architect chosen by Bega Begum. It was the first garden-tomb on the Indian subcontinent and is located in Nizamuddin East, Delhi, India, close to the *Dina-panah* citadel also known as *Purana Qila* (Old Fort), that Humayun founded in 1533. It was also the first structure to use red sandstone at such a scale. The tomb was declared a UNESCO World Heritage Site in 1993 and since then has undergone extensive restoration work, which is complete. Besides the main tomb enclosure of Humayun, several smaller monuments dot the pathway leading up to it, from the main entrance in the West, including one that even pre-dates the main tomb itself, by twenty years; it is the tomb complex of Isa Khan Niyazi, an Afghan noble in Sher Shah Suri's court of the Suri dynasty, who fought against the Mughals, constructed in 1547 CE.

Later drive to visit India Gate.

The India Gate, (originally called the All India War Memorial), is a war memorial located astride the Raj path, on the eastern edge of the 'ceremonial axis' of New Delhi, formerly called

Kingsway. India gate is a memorial to 82,000 soldiers of the undivided British Indian Army who died in the period 1914–21 in the First World War, in France, Flanders, Mesopotamia, Persia, East Africa, Gallipoli and elsewhere in the Near and the Far East, and the Third Anglo-Afghan War. 13,300 servicemen's names, including some soldiers and officers from the United Kingdom, are inscribed on

the gate. The India Gate, even though a war memorial, evokes the architectural style of the triumphal arch like the Arch of Constantine, outside the Colosseum in Rome, and is often compared to the Arc de Triomphe in Paris, and the Gateway of India in Mumbai. It was designed by Sir Edwin Lutyens.

The **Rashtrapati Bhavan** is the official home of the President of India, located in New, Delhi, India. It may refer to only the mansion (the 340-room main building) that has the President's official residence, halls, guest rooms and offices; it may also refer to the entire 130 hectare (320 acre) President Estate that additionally includes huge presidential gardens (Mughal Gardens), large open spaces, residences of bodyguards and staff, stables, other offices and utilities within its perimeter walls. The main palace building was formerly known as Viceroy's House. In terms of area, it is the largest residence of a Head of State in the world.

Evening our car will drop you at Hotel.
