“ISKSAA Researcher of the Year” Award

We invite all ISKSAA members to participate in “ISKSAA Researcher of the Year” Award. We would like you to submit your research protocols to ISKSAA Academy by Nov 30 2017. Out of all projects submitted, top 10 will be selected.

These 10 projects will be supported by ISKSAA and will be provided a mentor who will help in modification of the research design and in manuscript writing. ISKSAA can also connect you with surgeons who can provide clinical data for the project.

Principal Investigator of these 10 projects will get

1. Discounted registration for ISKSAA 2018 in Leeds, UK
2. Presentation in ISKSAA 2018
3. Publication in JAJS

All principal investigators will have to submit a midterm report by **Feb 28, 2018** which will be assessed by ISKSAA panel regarding the progress made and best 4 projects will be selected. The Principal Investigator of these 4 projects **will also get a 1 week ISKSAA fellowship in UK (25TH – 30TH JUNE 2018)** after ISKSAA LEEDS 2018 .

Manuscript / final report needs to be submitted by **May 31, 2018**. The winner will be selected by the ISKSAA panel and **will get all the rewards along with full waiver of the registration fees**

for ISKSAA 2018 and will be awarded the “ISKSA Researcher of the year” award at ISKSAA 2018 in Leeds, UK.

Please send your submission and queries to
