We are proud to announce that ISKSAA membership has crossed the 900 mark. With over 100000 hits from over 70 countries on the website www.isksaa.com & more and more interested people joining as members of ISKSAA, we do hope that ISKSAA will stand out as a major body to provide opportunities to our younger colleagues in training, education and fellowships.

ISKSAA is happy to announce that 22 ISKSAA members were selected for the 2 year ISKSAA Wrightington MCh Fellowships which are fully paid clinical hands on rotations in the Wrightington region in the UK and award an MCh degree at the end.
