New Horizons In Arthroscopic Surgery

Dear Friends ,

We welcome you to this third edition of New Horizons in Arthroscopic Surgery to be held on 29th – 30th March in New Delhi. After the success of the first 2 symposiums on ACL Reconstruction and Lower Limb Arthroscopy in 2006 & 2007, there was a demand to address to all other major Joints of the body amenable to Arthroscopic procedures with emphasis on live surgeries & interactive sessions. The venue of the Symposium will be at Primus Orthopaedic & Spine Hospital, New Delhi .

The format of this symposium will be 8 sessions of lectures & interactive discussions on Arthroscopic Surgery principles of all major joints. There will be 8 live surgeries relayed from the theatres to the Conference hall demonstrating Hip, knee, ankle , shoulder, wrist & elbow arthroscopy.

There will be Hands-on Workshops organised on basic & advanced knee and shoulder Arthroscopic procedures where the participants will have an opportunity to understand and practice principles of knee & shoulder arthroscopy.

An experienced & dynamic Indian faculty along with Prof J Krishnan, Dr Mario Penta, Dr Nick Wallwork from Australia & Dr M Pandey from UK will ensure that your visit to New Delhi will truly be an exciting & enjoyable educational experience. The theme of the conference will be SEE THEM DO IT AND DO IT YOURSELF.

We look forward to seeing you in New Delhi

With warm regards

Yours sincerely
