

ISKSAA BATHINDA TRAVELLING FELLOWSHIP 2025

TESTIMONIAL

I WOULD LIKE TO THANK ISKSAA AND DR PARAMPREET NAGPAL FOR GIVING ME THIS OPPURTUNITY TO ATTEND ISKSAA BATHINDA TRAVELLING FELLOWSHIP 2025. I AM DELIGHTED TO SHARE MY EXPERIENCE ABOUT ROBOTIC JOINT REPLACEMENT AT NAGPAL SUPERSPECIALITY HOSPITAL ,BATHINDA UNDER THE MENTORSHIP OF DR PARAMPREET NAGPAL. MY FELLOWSHIP STARTED ON 03/03/2025 AND FINISHED ON 29/03/2025 FOR A PERIOD OF 4 WEEKS.

DURING MY FELLOWSHIP I WAS INTRODUCED TO DAILY WORKING ROUTINE OF THE HOSPITAL. UNDER THE GUIDANCE OF DR PARAMREET NAGPAL , I HAD PRIVILEGE OF WITNESSING ROBOTIC KNEE REPLACEMENT SURGERIES USING BOTH CUVIS AND CORI ROBOTIC SYSTEM ALONG WITH COVENTIONAL PRIMARY / REVISION KNEE AND HIP REPLACEMENT SURGERIES.

DURING MY STAY OF 4 WEEKS I WAS INVOLVED IN AROUND 190 ROBOTIC AND COVENTIONAL KNEE AND HIP REPLACEMENT CASES.DR PARAMPREET NAGPAL HELPED ME TO UNDERSTAND MINUTE TECHNICAL ASPECTS OF BOTH ROBOTIC KNEE REPLACEMENT AND CONENTIONAL JOINT REPLACEMENT SURGERIES.

AT THE END I CAN SUMMARIZE THAT ISKSAA BATHINDA TRAVELLING FELLOWSHIP 2025 AT NAGPAL SUPERSPECIALITY HOSPITAL WAS A WONDERFUL LEARNING EXPERIENCE.MY SINCERE THANKS TO DR PUSHPINDER BAJAJ , ISKSAA TEAM AND DR PARAMPREET NAGPAL FOR MAKING THIS POSSIBLE.

DR. SWAPNIL KARANDE
